

West Ashton C of E Primary School : Nursery Long Term Planning for The Role Play Area

Long Term Plans celebrate the learning opportunities that we offer children on a continuous basis. They form the foundation for the daily learning opportunities of our Early Years Foundation Stage curriculum. We observe children in order to understand and consider their current interests, development and learning. We then respond by adding additional enhanced provision and focussed experiences, to enrich the learning experiences on offer for children.

Key learning opportunities offered in this area of provision The characteristics of effective learning and EYFS aspects of learning and development		
Demonstrate curiosity, interest, enjoyment and enthusiasm as they	Being involved and concentrating, persevering and taking pride	
play and experiment with what they know.	in achieving what they set out to do.	
<b>Creating and Thinking Critically</b> :	Prime Areas:	
Having their own ideas, making links and choosing ways to do	Personal, Social and Emotional Development	
things, planning, thinking ahead and using their own methods to	Physical Development	
solve problems.	Communication and Language
