

Woodlands

The screenshot shows a Google search for "Geography for Kids". The top result is from "Geography for Kids - The Study of Our Earth" with a URL of "http://www.geographyforkids.com/". The page preview includes a navigation bar with links like HOME, GEOGRAPHY, and GAMES, and a section titled "Search The Totally Free Children's Learning Network". Below this, there is a grid of icons for different grade levels: Year 1, Year 2, Year 3, Year 4, Year 5, Year 6, Year 7, Year 8, and Year 9. The page also mentions "An in-depth online geography textbook, written for kids, learn about the world around you. Geography is the study of the Earth as it is today."

Geography World

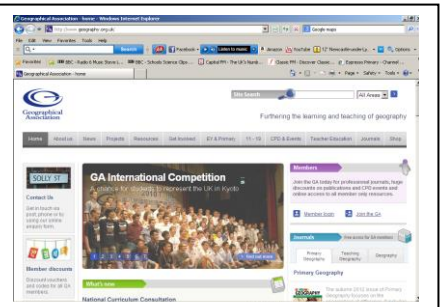

A screenshot of a web browser window. The address bar shows "http://www.google.com/search?q=south+america". The search results page displays "South America" as the top result, with a snippet: "South America is a continent in the Western Hemisphere, mostly in the southern half of the Americas, between the Atlantic and Pacific oceans." Below the search results, there is a section titled "Geography" with a sub-header "Location". It includes a map of South America and a list of countries: Brazil, Argentina, Paraguay, Uruguay, Chile, Peru, Colombia, Venezuela, Ecuador, Suriname, and French Guiana.

Geography Games

The screenshot shows a Google search interface. The search bar contains the text "United Kingdom". Below the search bar, the text "Find your current location? Connect it" and "Put your business on Google Maps" are visible. The main content area displays a map of the United Kingdom and Ireland, with various cities and regions labeled. A sidebar on the right shows a list of search results, including "United Kingdom" and "Ireland".
