'You will shine among them like stars in the sky' Phil 2:15

5th December 2023

Dear Families of West Ashton,

It is with great pleasure that I can now inform you of the results of our recent Ofsted Inspection which took place on 14th and 15th November 2023.

I am delighted that the Ofsted Inspectors concluded that West Ashton CE Primary School is **GOOD** in all areas (Quality of Education, Behaviour and Attitudes, Personal Development, Leadership and Management and Early Years Provision), resulting in an Overall Effectiveness of **GOOD** for the School.

The Ofsted inspection report accompanies this letter. This full report will also be accessible via the school website today and will be published on the official Ofsted report website eight working days from today.

I am incredibly proud that the hard work undertaken by everyone at West Ashton CE Primary School has been officially recognised and that our amazing pupils now have yet another reason to be proud to be part of this wonderful community. They certainly did 'shine among them like stars in the sky' through every interaction they had with the Inspection Team.

I would like to share just a few of the superb comments from the report:

- Relationships between adults and pupils are warm and positive
- Pupils understand the importance of inclusion....are adamant that they are all treated fairly and as an equal
- The school has designed an ambitious curriculum
- Children develop a love of reading
- The school is fully inclusive
- The school provides many opportunities for pupils to develop spiritually and morally

We could not have achieved this without your support, and I would like to take this opportunity to thank you all. We have amazing children, a hugely supportive Trust and a great staff team. Without their hard work and commitment, West Ashton would not be such a wonderful place to aspire, believe and most definitely now, celebrate.

Best wishes,

Alex Blake-Thwaite
Head Teacher
